

Your Personal Values

- Using your list of the 10 most important values to you, select the top 5 and write them below. Since values are deeply personal, their definitions are specific to each person who holds that value. In your own words, write your personal definition of each value.

My personal top 5 values	My personal definition & meaning
Evoke	call forth greatness and give voice to transformational potential
Discover	to adventure and explore
Order	to revel in the natural rhythm of things
Home	to walk comfortably with God and others in remembering and forming
Wonder	to marvel at the beautiful, the unexpected, the inextricable
Integrity	to be the same within as without

- From your top 5 list, select the two values that of paramount importance. In 7 words or less, write your personal definition for these two values.

My most important principle(s) and value(s) to live by	My personal definition & meaning
1. EVOKE	to call forth greatness in myself and others and give voice to transformational potential
2.	

- How do these values determine the way you make decisions and communicate?

Because my values are foundational

I always live by them
